## OSS NEWS

An open invitation to all OSS Members, especially budding writers or exhibitors to contribute to future issues of the Album Page.

Here is your opportunity to share without stage fright. You can include visual information, pictures of stamps although in black and white. Hardcopies or email accepted. If more than a paragraph, page or multiple pages, even better a series, we can find a fit for you.

Do you have a favorite stamp or cover? Would you like to share your research on the item but not feel you have enough for a one frame or program or would like to test the waters before swimming into the deep water. Here is an opportunity.

We are looking forward to an article from the Dumpster Diver who dove deeply into Kiloware Night and is decompressing while researching his find.

Please contact the Editor at: zbear@att.net

# President's Corner

Summer ended somewhat abruptly in September here in Oregon with a few people talking about building Arks. Literally the wettest September on record. With this change also usually comes a renewed interest in our collecting interests.

The first general meeting ( Oct. 8th) will provide an opportunity for each member to show off one of their one-of-a-kind collections (one page exhibit/collection). PIPEX 2014 is considering allocating an exhibit frame to each club in the NWFSC which would like to display "one-page" exhibits from its members. So here is a chance to polish the presentation of one of your treasures.

Speaking of PIPEX 2014 - APS is lending their example of the Inverted Jenny - Scott #C3a. Mark your calendars - you won't want to miss this.

Harmer-Schau's next auction is also this month - if you haven't received a catalog, you can view it online at their website. The next annual OSS will be in March of 2014. If you would like to consign a few of your excess philatelic gems - contact me or Bill Seymour.

## Donations to The OSS Store

The OSS Store is in need of your donations of philatelic materials and supplies. We especially have a demand for stamps, covers, mounts, manila stock pages and books, Vario/Hagner style pages. And hinges, hinges and more hinges. The proceeds of the sales of the donated materials all go to the OSS General Fund.

If you drop off a donation at the club, please label it for "The OSS Store". You may also contact the Sales Manager, Jim Correy, to make other arrangements. eMail ==>> [ajcorrey@yahoo.com](mailto:ajcorrey@yahoo.com)

## Cover of The Month

The Cover of The Month is a recent find by Bob Burger. Probably (?) a portion of a package wrapper cut to a manageable cover size. Originally postmarked from Applegate Oregon and sent to Portland OR.

It has been issued certificate #204377 by the APES - which describes the cover as "United States, Scott No. 158, 161 and 165, used on cover (probably a paste-up use on heavier contents) Applegate, Oreg., genuine, stamps and cover flawed." Nice higher denomination usage on a Oregon postal history cover.

## Inverted Jenny to be Exhibited at PIPEX 2014

Portland Philatelic Exhibitions has arranged for the exhibiting

(displaying) of one of the Inverted Jennies at PIPEX 2014. This example of the Scott C3a stamp is the one owned by APS. This will be a great opportunity to get up close to one the legendary stamps of our hobby.

**StampBuddy**  
**A New American Philatelic Society Program**  
*by Caroline Brandt*

We were introduced to this new program through an excellent Power Point presentation by one of our members, Michael Bloom. He is the committee chair for the StampBuddy program

Official StampBuddy Logo

This new program debuted at the stamp show in Milwaukee, Wisconsin and will be present at PIPEX 2014. OSS is one of seven stamp clubs selected for this pilot program. Members of APS may apply for approval as mentors. Each mentor makes a one year commitment to keep in contact and assist one or more Buddies with their new or renewed interest in philately. Mentors are also encouraged to introduce the hobby to potential

stamp collectors through presentations such as the one we viewed. The StampBuddy program is well defined in a brochure, service handbook and on the website ([www.stamps.org/StampBuddy](http://www.stamps.org/StampBuddy)) Included in the handbook are: needs for the program, the service, roles and qualifications for Mentors and Buddies and outreach to the Non-collecting community. Buddy eligibility is age 18 years or older. Buddies must also be APS members, encouraged by an initial discounted membership. This program introduces new people into the hobby especially those interested in current events, history or geography. It affords an opportunity for social activity and learning. "If we do not exhibit, our collecting may have an audience of one: ourselves". We can share our enthusiasm, expertise and encourage another in his or her interests in their topic of interest. We encourage others to join Michael Bloom, Bill Seymour, Paul Malan and Win Bohme in becoming Mentors. Phil Kumler expressed interest in the program to involve parents of youth in the hobby.

**Philatelic and Postal History of Oregon**

You are invited to attend a meeting to explore the feasibility of compiling and publishing a major disciplinary philatelic and historical work on the *Philatelic and Postal History of Oregon*.

***Feedback on your exhibit – the UEEF***  
by - Sheryll Ruecker

PIPEX 2014 is getting closer, so now is the time to visit the APS website and download the latest copy of the *Manual of Philatelic Judging* to read before you start writing up your exhibit. While you are there, print off a copy of the “Uniform Exhibit Evaluation Form” (UEEF).

This form shows you what the judges will be looking for in your exhibit, and it has a breakdown of points allocated for each of the judging criteria which I covered in last year’s article on “How to Build your Philatelic Exhibit.”

These criteria again are:

- Treatment
- Importance
- Knowledge
- Personal Study and Research
- Rarity
- Condition
- Presentation

The judges will use this form as a guide when they are at the frames judging your exhibit, and they will add comments to it before returning it to you at the end of the show.

The aim of the UEEF is to provide you with **written feedback** to help you improve your exhibit and achieve your goals as an exhibitor.
